Osteoporosis Dorset looks forward to welcoming you to Bournemouth for the 24th Managing Osteoporosis Conference taking place at the Education centre in Bournemouth Hospital on 19th December, 2016. Once again the conference will provide an innovative and dynamic programme, hosted by Dr Neil Hopkinson and the Rheumatology Team in Dorset.

Unique conference will give you:

- Unrivalled opportunity to increase your knowledge in bone disease
- Learn from internationally renowned experts about cutting-edge advances in osteoporosis and bone disease
- An opportunity to ask questions from key experts
- Interact and network with a large multidisciplinary audience, exchange ideas and experiences and discover how to tackle complex clinical challenges
- An unmissable event for personal and professional development

So please join us, learn from internationally renowned experts and update your personal Continuing Professional Development records.
